| <b>A158</b> General management                   | <b>A214</b> Patient safety and risk management    |
| <b>A167</b> International posters                | <b>A250</b> Author index                          |

This abstract book has been produced by the BMJ Publishing Group from electronic files supplied by the authors. Every effort has been made to reproduce faithfully the abstracts as submitted. However, no responsibility is assumed by the publishers or organisers for any injury and/or damage to persons or property as a matter of product liability, negligence or otherwise, or from any use or operation of any methods, products, instruments, or ideas contained in the material herein. We recommend independent verification of diagnoses and drug dosages.
